Do  
You  
Want

Long, Heavy Hair?

Then treat your hair well. See that it is properly fed. Growth of every kind demands proper food. Starved hair splits at the ends, turns prematurely gray, keeps short and dry. Then feed your hair. Feed it with proper food, a regular hair-food. Feed it with Ayer's Hair Vigor. Thus help nature all you possibly can toward giving you rich, heavy, luxuriant hair. Ask your doctor about your hair and about Ayer's Hair Vigor. Follow his advice.

**Ayer's Hair Vigor**  
DOES NOT COLOR THE HAIR

## BUSINESS ITEMS

Stocks opened with falling prices on the New York market yesterday, and a rally at mid-day soon spent itself. The downward pace was more rapid toward the close.

In the last days of his career under several presidents, Secretary Wilson prohibited the importation of grapefruit from Mexico, on account of its being infested with the jelly fly.

Kahuka Pineapple Company has been incorporated for \$50,000. The incorporators are Edward D. Tenney, president; Charles H. Atherton, treasurer; Thomas H. Petrie, secretary; William W. Goodale and John R. Galt.

"The Purpling Chromogen of the Hawaiian Dioscorea," is the title of a 10-page bulletin issued by the federal department of agriculture and sold for 10 cents. It is by Hartley Harris Bartlett, chemical biologist, druggist, poisonous-plant, physiological and fermentation investigations.

Hawaiian stocks in San Francisco closed yesterday as follows: Hawaiian Commercial, 34½ bid, 35.25 asked; Hawaiian Sugar, 34 bid; Honokaa, 7.50 bid; Hutchinson, 16.50 bid; Kilauea, 12 bid; Onomea, 32 bid; Pauahau, 16.37½ bid; Honolulu Plantation, 30 asked; Honolulu Oil, 1.07½ bid, sold at \$1.10.

A late Manila Bulletin says that the first modern sugar mill for the island of Panay has just been bought by Jose Zulueta, a Filipino hacendero of Hilo from the Honolulu Iron Works, through its local agent, the Pacific Commercial Company. Its capacity will be 150 tons of cane a day and its cost will be 175,000 pesos, or about \$87,000. The plant will be housed in steel buildings designed to withstand a wind velocity of 100 miles an hour, and the purchase price includes the installation of an electric light plant and a telephone system.

The Kentucky court of appeals held, in the case of Campbell et al. vs. Offutt, that a note given for money advanced to the payer in consideration that he, when appointed revenue agent for the state, would employ the payee to attend to all the legal business of the office for a sum equal to one-half the fees of the office, it being stipulated that the note was to be void when the employment was made, was without consideration, the arrangement being against public policy and void, and that a note given afterwards for money subsequently advanced on the same consideration was also void.—Bradstreet's.

## WANTS PRATT'S JOB.

The first in the field to herald his candidacy for the position of postmaster of Honolulu is Frank E. Colby, for twelve years an official in the local postoffice service, but since late November in the employ of the First National Bank. Although the aspirant has not obtained as yet the endorsement of either the territorial or county Democratic central committees, it is said that the application for the job which he has already made out to send to Washington is accompanied by a long list of signatures of local business men.

## REAL MERIT WINS
